

PRESS RELEASE

**Douglas Borough Council - Isle of Man awards
POF system contract to Parkare**

Parkare Limited has been awarded a contract by the Douglas Borough Council on the Isle of Man for the supply and implementation of a “Lynx” pay-on-foot parking control system at the shopping centre. This will be Parkare’s second pay-on-foot system installation on the Isle of Man; the first system is installed at Douglas Airport.

Lynx is Parkare’s latest range of parking access and revenue control systems. The Lynx system being supplied to Douglas Borough Council will comprise pay stations which will accept cash and credit/debit cards.
